Call me, right fucking now.

9205270883. Now. I've already been in touch with a lawyer.

SAT 1:24 PM

In order to manage my negative energy and hate, I need to let this go. I'm running on low sleep and have too many positives things in my life right now that I should be prioritizing. You can say or do what you want. But I need to move on and let it go, and say I am sorry today happened.

2:11 PM

Good call. I can relate to the low sleep and many positives. I'm just sorry that it took you to such a dark place. And I'm also sorry that you ended your good
